INSTRUCTIONS FOR USE

HOW TO PICK UP A BIKE: Type on the station keyboard your user code + “Conv” key and password + “Conv” key. The big display screen will give you the parking space where you can pick up the bike.

HOW TO RETURN YOUR BIKE: Find a free hook on the station bike rack and make sure the green light is on. Hook the bike pins to the rack. When the green light stops blinking, wait and check if bike is correctly blocked. Make sure of your return, you can type again your codes on the keyboard, the display will show you a confirmation message.

SERVICE TERMS

Bikes can be used for a maximum of 2 hours per trip.

Membership will be cancelled if the 2-hour maximum limit is exceeded three times.

At least 10 minutes must pass from the last use before another bike can be checked out.

For more details on the Verona Bike service, consult the contract and general terms of use available on the website www.bikeverona.it
